

Parts Brush Division

Paint Brush Corporation

New ATLASTA *SoftTip* detailing brush

Softer tip than the popular ATLASTA parts cleaning brush

- Won't scratch polished surfaces, chrome or clear coat
- Innovative, bullet-shaped tip
- Keeps cleaning power at the tip for tight spaces, vents, and hard-to-reach spots
- Long-lasting TRIALOY® filament
- Holds shape in both water and solvent-based cleaning solutions

Also available in flo-thru model.

Specifications

Length	Weight	Filament
9.75"	4.3 oz.	Trialoy® polyester
